

TOPS IN THE MOTOROLA DERBY ... THE 23" COLOR TV

That corners color with the new rectangular color picture tube. Gives a superbly brilliant picture over the entire screen. Push-button demagnetizer permits you to easily move this Motorola from place to place without concern about color distortion. All VHF/UHF channel tuning. The compact hand-wired TV chassis combined with the new rectangular tube makes possible thin, trim color TV as never before. It's a miracle at Dorn's for only ...
